29<sup>th</sup> March 2005

Letter 10/2005

Dear Parents

## Book Sale

I am pleased to inform you that the following booksellers/publishers will set up a display in the Library on Thursday 31<sup>st</sup> March 2005:

- Traveling Bookshop
- MacMillan
- There is a possibility that Webster's Book Shop will be present.

Students will have an opportunity to visit the displays during their English periods, during their break times and study periods. Local parents are also invited to attend anytime from 9am to 4pm.

Should day students or their parents wish to purchase books; this will be possible on a cash basis. Boarders whose accounts are up to date will be allowed to purchase on account. Should you NOT wish your child to purchase on account, or should you wish for a limit to be placed on this, please contact the school today or tomorrow.

This exercise is part of our efforts to encourage reading within Waterford.

Yours sincerely

Laurence Nodder  
Principal
