18<sup>th</sup> November 2005

Letter 30/2005

Dear Parents

The Form 5 Leavers' Ceremony was a moving occasion, with several of the Form 5 students speaking strongly of the positive experiences and values they have gained through attending Waterford Kamhlaba.

On Saturday evening we say farewell to the IB2s. This takes the form of a graduation ceremony in the Michael Stern Hall, after which the graduates, their parents and teachers will move to 'House on Fire' for a dinner. The dinner will come to an end at about 11pm. The IB2s have organized their after-party (not a school function!) at the same venue and have invited the IB1s to join them (the school will provide transport to and from the venue for reasons of safety). Without the knowledge or consent of the staff, the IB2s have also sold tickets to members of the public to attend the after-party. Those graduates who have not been checked out will return to school on the school bus at 2am, together with those IB1 students who have attended the after-party. Should IB parents have concerns about their children attending the after-party, please would they contact the school, either on the residence telephone line or electronically?

### Other weekend activities

Early on Saturday morning several of our junior female students travel to Somhlolo Stadium to take part in the 3<sup>rd</sup> National Women's Sports Day. The event starts at 6.30 am with a fun run. The event is open to the public and all are invited to attend, either as participants or spectators.

Several of our runners have signed up to participate in the 'Caltex to Caltex' 10km and half-marathon races on Sunday morning. The 10km race is proving to be more popular with our students, and starts at 7am at the Caltex Petrol Station in Lobamba.

### Events next week

The Sports Assembly takes place on Wednesday morning. Unfortunately space in the hall does not permit us to invite parents to attend.

All Parents are invited to attend the presentation of the Form 4 students' monologues, starting at 7pm on Thursday and Friday evenings in the Michael Stern Hall.

All are invited to attend a year-end concert, starting at 7pm on Saturday 26<sup>th</sup> November, in the Michael Stern Hall.

Yours sincerely

Laurence Nodder  
Principal
