Other activities this weekend

The WK Intermediate boys' and girls' soccer, basketball and volleyball teams left this morning for a visit to Maputo International School. They return on Sunday.

On Saturday, the junior boys' soccer team is to participate in a tournament at Enjabulweni school, the senior boys' soccer team in a tournament at U-Tech and the junior and senior girls' netball teams in a tournament at Sisekelo High.

The Ngwempisi Community Hiking Trail group, now under the facilitation of Mr Richard Boycott, plans to spend Saturday and Sunday on the trail.

WK Art Exhibition 2007

The Annual Art Exhibition is open to the public on Friday 27th and Saturday 28th July from 8am to 3pm.

There will be an official opening of the Exhibition at 7.00pm on Friday 27th July by Mr Tim Toyne Sewell, the Chair of the UWC International Board. Parents are invited to the official opening, but please confirm your attendance at Reception (+268 4220866/7/8) or by email.

Music Concert

This term's music concert is scheduled for 5.00pm on Saturday 28th July. Parents and friends are invited to attend.

Annual Community Service Fete

The Community Service Fete is scheduled for Saturday 4th August. All students are required to attend the Fete. This is the major generator of funds for the ongoing work of the WK community service programme and we welcome your support. Early support may be given by donating clothing, books and other goods that may be sold at the Fete – these may be brought for storage to the Community Service Centre (next to the Assembly Hall). Please provide support through the purchase of raffle tickets: there is an impressive array of prizes, including a laptop computer.

24 Hour Run

Thank you to all the students, parents and teachers who supported this excellent event. In total some 9,600km was covered, with Harold Oswin recording the greatest individual distance of 113km. 'Cool Runings' won the team competition. Next week I hope to be able to report on the funds raised through the run for the installation of a borehole at Mbalenhle Primary School – we still are waiting on some of the teams for the funds they raised.

Yours sincerely

Laurence Nodder
Principal
