

**Dalumuzi Mhlanga**

Dalumuzi Mhlanga (WK '08) is the Founder & CEO of Notto Inc., an alternative credit scoring fintech start-up that provides access to affordable residential mortgages. Prior to focusing on entrepreneurship full-time, he served as Group Chief of Staff at Econet. In his role, Dalumuzi worked directly with the Founder and Chairman, and C-suite executives across Econet's subsidiaries, providing Group-wide strategic and operational support. Before joining the private sector, he managed a multi-million dollar impact investment portfolio for the corporate Foundation of Vitol Group; taught leadership courses to Masters students at the Harvard Kennedy School while studying as an undergraduate; and founded a non-profit that has developed the leadership and entrepreneurship capability of thousands of young people in the USA, UAE and Zimbabwe. After completing his high school education at WK, Dalumuzi studied at Harvard, Cambridge and Oxford, where he was a Rhodes Scholar.
