GC Chair's Letter to the community

Dear Staff and Members of the Waterford Kamhlaba Community,

The Governing Council is deeply saddened by the news of the passing of our dear colleague, Chisenga Chikwanda. Chisenga was a valued member of our team and his contributions have left a lasting impact on all of us, especially the generations of students he taught.

In keeping with our UWC values, this is the time to show compassion and service, not only to the Chikwanda family and his loved ones, but also within our own community. Let us work together, support one another and respect each other. Most importantly, let us honour Chisenga's memory in a dignified way.

Please join us in extending our heartfelt condolences to his family and loved ones. Our thoughts and prayers are with them during this extremely challenging period.

If anyone needs support or someone to talk to, please do not hesitate to reach out to our Pastoral or HR departments or any of the support resources available.

Thank you for your understanding and compassion.

Sincerely,

The Governing Council
